

FURNITURE for
RESIDENTIAL TREATMENT

HEKMAN
CONTRACT

Your job is to help change lives. Ours is to help create an environment that promotes comfort, trust and security.

For nearly 100 years, Hekman Contract has been a trusted source for high quality residential furniture that's built to withstand the rigors of commercial use. It's ideal for:

- Common areas and living rooms

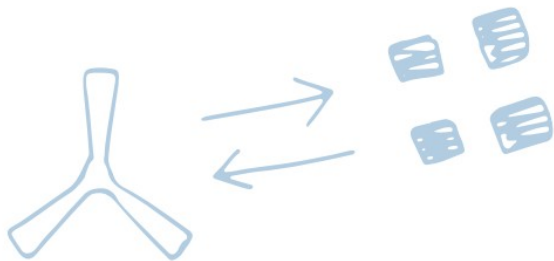

- Dining and meditation rooms

- Therapy and resident rooms

- Media rooms and chapels

Hekman blends proven manufacturing techniques with modern materials.

The result? Products that stand the test of time.

RESIDENTIAL IN APPEARANCE

- Non-medical or institutional looking
- Promotes a warm, non-threatening environment

DURABLE

- Heavy duty construction to withstand daily use
- Moisture barriers and cleanouts
- Ventilation to prevent the build-up of microbes
- Seamless surfaces to prevent moisture penetration
- Wood finishes that feature antimicrobial agents
- Heavy duty steel ball bearing drawer glides

CLEANABLE

- Thermoshield and high-pressure laminates capable of withstanding repeated cleaning and disinfecting with harsh cleaners
- Available healthcare fabrics made to repel fluids and withstand repeated cleaning
- Smooth vinyl drawer box construction for easy cleaning

FEATURES

- Optional motion sensitive lighting
- Optional power and data ports
- Field replaceable components
- Optional self-leveling floor glides
- Rounded corners and contoured edges
