## TEXTILE DISCLAIMER

Nightingale only upholsters with top quality materials.

Nightingale has made every effort to represent the colors and textures of these textiles, vinyls and leathers as accurately as possible. We cannot guarantee 100% accuracy due to variations that occur in the printing process.

Nightingale recommends ordering product samples before final purchase to get a more accurate representation of color. Due to slight variations in dye lots, there can be slight color variations to received product.

The enclosed textile collection is current and accurate at the time of printing; however, the availability of patterns, colors and fabric grade listed may change without notice.
